THE LEAD

The Cyclones are set to start conference play this weekend as they head south to face Baylor on Big 12-opening weekend. ISU closed its 2025 conference slate against Baylor and will open its 2026 slate the same way. It's the first time Iowa State will face the same Big 12 school in consecutive series since 2003-04 when ISU faced Texas Tech.

KEY STORYLINES

- Iowa State is off to the most prolific offensive start in program history. The team has its most runs scored (150), hits (187) and highest batting average (.352) through 19 games in program history. ISU holds the second-best batting average in the conference behind No. 2 TTU.
The Cyclones have wins over ten different opponents, but have dropped six games to the same three opponents in UCSB, Omaha and Wisconsin.
The Cyclones have gone .500 or better in each early-season non-conference tournament for the first time since 2021. The team is 3-2, 2-2, 5-0 and 3-2 in its first four tournaments this season.
At the Gopher Indoor Classic, ISU swept its way through the tournament, winning all five outings. It was the team's first undefeated early-season tournament since 2022.
Iowa State began its season with a winning record on opening weekend for the first time since 2022.
Iowa State has scored 15-plus runs in three of its 19 games so far this season. That is just the third time in program history that ISU has scored 15-plus in three games in a season.
Just 22 players in the league are batting over .400, and four of them play for Iowa State. ISU'd four batters over .400 are the second-most in the league, trailing only Texas Tech, which has five.
Iowa State looks to build on the best Big 12 season in school history. The Cyclones finished third (their highest ever) and made the Big 12 semifinals for the third time in the last four seasons in 2025. ISU won six Big 12 series last year and will look to replicate the same success as conference play begins.

## FROM THE NOTEBOOK

### TEAM QUICK FACTS

- Iowa State is competing in its 53rd season of softball and ninth under head coach Jamie Pinkerton.
- The 2026 ISU softball roster features 25 athletes from 14 different states. California (5) and Iowa (4) lead the way.

### ROSTER RETENTION

Iowa State lost just two players who played over 28 games for the team last season in Angelina Allen and Sereniti Trice. Ironically, both are at Arizona (Allen is a grad assistant, Trice transferred).

- The Cyclones will have a tall task in replacing Allen, who was just the fourth All-American in program history.
- ISU returns six of its eight defensive starters and its top two pitchers.
- ISU is a senior-laden team, as five of the projected starting fielders are in their final year with ISU.
- In a time where transfers are prevalent, Coach Pinkerton has preferred to recruit, retain and develop. He has taken just eight transfers in his nine years at ISU.

### MIDWEST BUILT

Of Iowa State's 25-player roster, 12 hail from the Midwest - the most ever on a Pinkerton-coached ISU squad.

- Iowa State's 12 players from the Midwest are the most since 2012 and the first time the team has had at least ten since 2017.
- Of those 12 players, four are from Iowa. That's the most on a team since the Cyclones had seven in 2023.
- Iowa State's previous rosters were usually half constructed of players from California. ISU's five Californians on this year's roster are the fewest since 2015.

### OCHOA COMES HOME

New to the 2026 coaching staff is former Cyclone standout Milaysia Ochoa, who is a volunteer assistant coach that works with the ISU outfielders.

- After graduating from Iowa State in 2024, Ochoa spent the 2025 season as a graduate assistant with the Southern Miss softball program.
- Ochoa finds her name littered throughout the Cyclone record books, as she was just the sixth Cyclone to ever eclipse 200 hits. She is part of multiple top ten lists, including: at-bats (5th - 673), hits (5th - 210), doubles (2nd - 56), home runs (7th - 29), batting average (9th - .312), RBI (5th - 135), runs (4th - 151) and walks (9th - 67).

### CYCLONES RETURN TOP PITCHING DUO

Last season, Iowa State's pitching staff was dominated by two arms: those of Lauren Schurman and Jaiden Ralston.

- Schurman pitched in 48 games last year (89%) while Ralston pitched in 44 (81%).
- Ralston and Schurman are just one of two returning duos to eclipse 90 combined appearances in 2025.

### Most Combined Appearances (2025)

Duo	Combined App.
Grein & Sokolsky (Oregon)	99
Schurman & Ralston (ISU)	92

- Schurman's 48 appearances were the fourth most by any pitcher, while Ralston appeared the 12th-most times.
- Schurman tied the school record for the most pitching appearances, while Ralston tied for the third-most appearances in school history.
- Together, the two combined 250.2 innings of action, or roughly 72.5 percent of ISU's innings.

### BIG 12 SCHEDULE SHAKEUP

Last season, Iowa State missed both Texas Tech and Arizona in conference play. The two would finish first and second above the third-place Cyclones.

- This season, ISU plays both at Texas Tech and vs. Arizona. The Cyclones miss Arizona State and Utah. It will be ISU's first trip to Lubbock since 2023 and Arizona's first trip to Ames.

### Jessie Jump-Starts Career

Iowa State's Jessie Clemons began her collegiate career with a historic freshman season, earning unanimous All-Big 12 First Team honors in 2025.

Clemons, an Iowa native, burst onto the scene starting every game of the season for ISU. Generally speaking, it is the second-best rookie campaign in Cyclone history behind Sami Williams.

#### A Look Back at a Historic 2025

Category	Total	ISU freshmen
Hits	65	3rd
Batting Average	.367	2nd
Doubles	13	T2nd
RBI	36	3rd
Total Bases	95	2nd

- Clemons made starts at DP, 1B, 2B, SS, RF and CF as a freshman
- She led the team in batting average, hits, doubles, RBI, total bases and stolen base percentage (8-for-8).

## FROM THE NOTEBOOK

### ISU VS. RANKED OPPONENTS

Under Coach Pinkerton, Iowa State has defeated 15 ranked opponents, accounting for just under 50 percent of the school's all-time wins over ranked foes.

- He and the Cyclones have downed at least one ranked team in all eight seasons.
- After notching six ranked wins in his first five seasons, ISU has earned nine ranked victories in the last four years.
- The Cyclones have three ranked series victories under Pinkerton; two versus Oklahoma State and one against Baylor.
- Prior to 2012 (when the Big 12 started 3-game series) ISU hadn't won a series (at least two games) against a ranked team.
- The 2023 series win over No. 23 Baylor became the team's first ever series win over a ranked team.
- The 2024 series win over No. 5 OSU is the highest ranked series win in school history.
- The 2025 series win at No. 17 Oklahoma State became the first ranked road series win in school history.

### 2025 SEASON ONE FOR THE RECORD BOOKS

Iowa State set a new program record for conference wins (15) and series wins (6) in a season on its way to its highest ever finish in the Big 12 (third) in 2025

- It was just the second time ISU earned a winning record in conference play.
- The Cyclones hit the 30-wins mark for the third time under Pinkerton. Prior to his arrival, ISU hadn't won 30 games in a season since 1989.
- ISU recorded the third-highest single-season batting average (.288) in program history, and eclipsed 400 total hits for the eighth time
- Coach Pinkerton earned his 200th win as an ISU coach last year - he is one of just three in program annals to do so.

### OFFENSE UNDER PINKERTON

Since taking over in 2018, the ISU bats have seen the best production in program history under Coach Pinkerton's tutelage.

- In 2021, the team had 315 runs scored - its most ever in a single season.
- In 2019, the team belted 101 doubles, breaking 100 for the first time ever.
- Prior to 2018, ISU had never had more than 40 HR in a season. Since 2018, ISU has had at least 40 homers every year (minus the COVID 2020 season). Its 64 homers in 2021 are a program best.
- ISU recorded the fifth-most hits (410) and fourth-most runs scored (263) in a single season in school history in 2025.

### PINK & CONFERENCE SUCCESS

Prior to Head Coach Jamie Pinkerton taking over in 2018, ISU had won just 13 conference series in the previous 26 seasons (prior to '93 it was individual games, not series).

- In total, he has 16 conference series wins, surpassing the previous 26-year mark.
- In every year but 2018 (his first) and 2020 when COVID canceled the conference slate, Pinkerton has led ISU to at least two Big 12 series wins.
- ISU had just three three-game conference series sweeps before Pinkerton. In his eight years, ISU has four.
- The team had never won more than two conference series in a single season until 2025. ISU won six in 2025.

### SISTER SISTER

Iowa State has a pair of athletes, Isabelle Nosan and Ashley Minor, who have sisters playing collegiate softball. They are part of just six sets of sisters who are playing softball but are not teammates.

- Isabelle's sister, Grace, plays softball for St. Thomas. ISU is set to host the Tommies for a doubleheader this season in the home opener.
- Ashley's sister, Taylor, plays softball for UT Arlington. The Cyclones will face UT Arlington in a doubleheader as part of the Dream City Invitational.
- Coming into the season, ISU had just two doubleheaders on its schedule. Both of those doubleheaders will feature sisters squaring off.
- ISU freshman pitcher Liv Palumbo's younger sister, Daphne, is set to be a Cyclone in 2028, as she committed to the Cyclones this past fall.

## BY THE NUMBERS

2

There have been just two perfect games in program history. One of them was thrown last season by Sami Potvin who struck out nine vs. Grambling State.

3

Jessie Clemons became the third Cyclone to be named a First Team All-Big 12 player as a freshman.

4

The 2026 Cyclone roster features four transfers (Bartholomew, Malott, Mullen, Shepherd). Prior to 2024, Coach Pinkerton had only signed four transfers.

9

Coach Pinkerton is in his ninth season of being the Cyclone head coach. He is one of just four coaches in program history to coach at ISU for at least nine years.

17

The 2026 Cyclone schedule features 17 games against teams who made Regionals last season. Those 17 games are split amongst six opponents.

72

The Cyclones returned 72 percent of its starting fielders from last season, losing just three athletes.

## Sami Williams

5-8 | Corner Infielder  
Laguna Niguel, Calif. | Dana Hills  
Chicago Bandits

- @sami\_williams25
- @samiwilliams\_

- The only First Team All-American in school history, Williams is the only Cyclone alum to be competing in this summer's AUSL season.
- Williams, arguably the best player in program history, holds a multitude of school records and was the driving force of the team's last Regional appearance back in 2021.
- Williams competed in the AUSL back in 2021, but an injury derailed her early pro career momentum. With a reloaded AUSL season and schedule, Williams was drafted by the Chicago Bandits and is set to participate in a 25-game season.
- Williams is a Senior Software Engineer for the Chicago Cubs. She has worked in Baseball Systems for the club for over four years, and this winter, was honored with the Katy Feeney Leadership Award. The annual award was created to recognize exceptional female employees in Major League Baseball.
