## Media Policies & Guidelines

2019 Phillips 66 Big 12 Women's Basketball Championship  
March 8-11 • Oklahoma City • Chesapeake Energy Arena

**Credential Application Deadline: February 27, 2019**

Please review the following guidelines carefully to ensure your media outlet meets the criteria before applying for credentials to the 2019 Phillips 66 Big 12 Women's Basketball Championship. All policies will be enforced.

### **MEDIA CREDENTIAL POLICY**

Media credentials for the 2019 Phillips 66 Big 12 Women's Basketball Championship are authorized and issued by the Conference office. It also has the right to reject credential requests. Credential requests must be made online via the Big 12 credential system. The following are basic guidelines and restrictions. There are other restrictions which may eliminate certain outlets from consideration.

Requests for all working media credentials to the 2019 Phillips 66 Big 12 Women's Basketball Championship will be coordinated online through Big12Sports.com. **In 2019, there is no designated media hotel block.** There are several media hotels available in the Bricktown and Downtown area.

Credential approval will be made in writing via e-mail. Credentials will not be mailed, but will be issued during the Championship at Chesapeake Energy Arena.

A "press agency" for purposes of these criteria shall mean a daily or weekly publication, cable system, radio or television station or network requiring immediate news coverage. "Immediate news coverage" for purposes of these criteria shall mean that the editorial, audio and/or visual deadline for the game action being documented occurs no later than 48 hours after the competition at the site has been completed.

Membership in a writers or broadcasters association does not automatically qualify an agency or individual for credentials. An individual holding a credential is subject to removal from the auditorium for violating Big 12 credential policies.

Except for television camera operators or print photographers, a credential may be issued only to an authorized full-time, salaried representative of, or a representative who regularly and customarily performs services for, the agency submitting the request. Credentials are not transferable.

Subject to limitations of space and at the host media director's discretion, credentials shall be assigned in accordance with the following:

### **Working Media**

1. FOX Sports Group (broadcast network)
2. Media agencies that received season credentials and covered every home game of a Big 12 institution during the season.

5. An online entity that does not meet the other criteria herein qualifies for credentials if a full-time staff member has covered all of the participating institution's regular-season games. Such an entity can receive one more than the number of credentials it used for a majority of the institution's regular-season games, plus additional seats if space is available.
6. An online entity may receive a credential only if its own full-time staff members write an overwhelming percentage of that site's material.
7. Online media with an emphasis on the recruitment of potential student-athletes that are affiliated with established, nationally-recognized news organizations can request (1) credential if the purpose is to write a game/event recap. Each individual or entity signing for or using a credential for access to games, news conferences, practices or other game-related activities (collectively, the "Events"), and his/her/its employers (each signer, user and employer, a "Bearer"), agrees to the following conditions:

**General**

Each Bearer attending one of the Events using a credential represents that such Bearer is acting on a specific assignment for an accredited agency. Bearer is a full-time salaried employee of the accredited agency and has a legitimate working function in connection with the Events. The credential is not transferable and may be revoked at any time without cause. Any unauthorized use of the credential or violation of the policies set forth herein subjects Bearer and/or the accredited agency to ejection from

the Event, revocation of the credential, denial of access to future Events, prosecution for civil or criminal trespass and any other remedies available under the law.

While within the venue, Bearer shall, at all times, be subject to the direction and/or supervision of the Big 12 and its designated agents.

Bearer assumes all risks incidental to the performance by the Bearer of Bearer's services in connection with the Events and assumes all risks incidental to the Events, whether occurring before, during or after the actual playing of the Events, and agrees that the Big 12, its member institutions, and their respective employees, directors, officers, student-athletes, coaches, and contractors shall not be liable for injuries or loss of personal property or equipment resulting in such causes.

In the event that the name or likeness of any individual using the credential is included in any broadcast, telecast, photograph, film, video or other media taken in connection with the Events, such individual grants the Big 12 the non-exclusive, transferable, perpetual right and license to use (and to sub-license the use of) such name and likeness in any media worldwide whether now known or thereafter devised.

Bearer agrees to indemnify the Big 12 Conference and institutions and hold harmless the Big 12 and its officers, agents, contractors, employees, and each of its member institutions, their officers, agents and employees, of and from any and all claims, demands and causes of action arising out of anything done or purported to have been done by Bearer or his/her employer, including but not limited to Bearer's breach of any term of the credential. With respect to any claim that might give rise to liability of the Bearer as an indemnitor, the Big 12 and its institutions shall: (a) have the right to fully participate in the litigation of such claim with counsel selected by Bearer and approved by the Big 12 at the sole expense of the Bearer; and (b) not be obligated, without their consent, to participate in any settlement of such claim.

**Media**

The use, distribution, exhibition, reproduction, adaptation, display, performance or publication of any accounts, descriptions, pictures, photographs, video or audio recordings, reproductions of, or other information concerning the Events (the "Event Information") for purposes other than for news coverage of the Events, or for First Amendment-protected purposes, is prohibited, except (a) with the prior written consent of the Big 12 or (b) as specifically licensed herein. Nothing in these terms and conditions authorizes or allows Bearer to violate any of the Big 12 trademarks, copyright and any other proprietary rights.

The accredited agency agrees that any videos may be used only in connection with a regularly scheduled television newscast within a seven (7) day period after the game and the film clip or video portion of each such showing shall not exceed three (3) minutes in length. The accredited agency may not air highlights of any championship until the live telecast of the game by the Big 12 or its television network has concluded.

Television stations, networks, cable systems, participating institutions or their designees, are prohibited from making available game film or video to any other organization without advance written permission from the Big 12, even though the planned use may be editorial in nature. Such film or video may be aired only by the specific station or entity to whom the credential

is issued. These rights may not be assigned, transferred or otherwise disposed to any person, firm, corporation or any other entity. Any agency wishing to use game film or video in any other manner must obtain written permission for such usage from the Big 12 or the rightsholding television network.

Real-time transmission of streaming video, digital images, real-time audio, including play-by-play and statistics, of any game is exclusive to the Big 12 or rightsholding television network. "Real-time" is defined as "live, continuous play-by-play or description of an event." The foregoing limitation shall not preclude the on-time transmission or display of up to ten (10) still pictures or photos of any Event during its progress as referenced in the Big 12 Internet Real-Time Policy.

Bearer and accredited agency acknowledge that the Big 12, the rightsholding television network and the Big 12 institutions are the exclusive owners of all copyrights, trademarks and other proprietary rights to the respective names, mascots, logos and uniform designs and to the Events, except with respect to materials created by the bearer or accredited agency pursuant to the credential. The member institution name and team name may only be used for news purposes. All trademark rights in the names, logos and uniform designs are retained by the respective conferences and institutions.

The credential confers on Bearer a limited, non-exclusive and non-transferable license to take photographs of the Events, and to allow the entity that engaged the Bearer to take the photographs to use such photographs, only for news coverage about the Events, other editorial purposes, and reprints of news pages from such entity's publications, provided that such use is not likely to create, or does not actually create confusion in the minds of the trade or public that Bearer or its reprints or any elements therein, or the items on which they are reprinted, are sponsored or endorsed by, or are associated or affiliated with the Big 12 and its institutions licensed Bearer to use their respective trademarks or copyrights.

In exchange for the access granted by the credential, the Big 12 and its institutions shall have the right to purchase prints of any published photographs taken by the Bearer in connection with the credential, at the best financial terms offered to third parties, and such shall be licensed at no additional charge to use the photographs for news coverage purposes only. The Big 12 and its institutions may not distribute reproductions of the photographs to others or license others to reproduce the photographs.

Bearer shall obtain all necessary licenses, consents or releases permitting the use of any party's proprietary material, including, but not limited to any party's copyrights, trademarks, rights of publicity, rights of privacy or other proprietary of personal rights, however denominated included in any photograph taken or other material obtained in connection with the credential. The Bearer is solely responsible for determining which licenses, consents and releases shall be obtained. Bearer agrees to indemnify the Big 12 and hold harmless the Big 12 and its institutions, their officers, agents, contractors, employees from and against any and all liability loss, damage or expense (including reasonable attorneys' fees and expenses) arising out of or relating to: (a) the issuance of the credential, Bearer's presence at the Events, or any other activity of the accredited agency or Bearer in connection with the Events, including without limitation, any claims that the Event Information taken or compiled by Bearer infringe the intellectual property rights, publicity rights or other rights of any third party's copyrights, trademarks, rights of publicity, rights of privacy, or other proprietary of personal rights, however denominated; and (b) the presence on the premises of any cameras, wires, cable

or other equipment brought thereon by Bearer.

Any secondary use of any picture, audio description, videotape/ film or drawing of the game taken or made by the agency or the Bearer (including, but not limited to, use in delayed editorial or non-editorial, advertising, sales promotion or merchandising) is prohibited without prior specific written approval of the Big 12 Conference.

Radio stations that have not purchased rights shall not carry any broadcast report from the auditorium on a live basis or any live description of any game action while it is still in progress. Radio stations may report on the Event(s) within a newscast and are not precluded from reporting or updating the score of the game while it is in progress, except from the auditorium. Bearer also may not blog live play by play reports from the venue while the event is in progress but may blog other gathered information pursuant to the Big 12 Internet Real-Time Policy.

Bearer further agrees to release the Big 12 and educational institutions involved in the management or production of the competition from any claim or liability arising from failure to provide space for telecasting/broadcasting, or other facilities for the television/radio station, Internet media, network or cable system.

#### Real-Time Internet

Acceptance and use of a Big 12 media credential constitutes an agreement by the bearer to abide by the following terms and conditions:

Subject to the following limitations and conditions, the Big 12 grants accredited media organizations the limited license to use certain gathered information on the media organization's web site only, beginning at the start of the Championship until the conclusion.

1. No more than ten (10) photographs may be used for news and editorial coverage of a Big 12 Championship. Any use of such photographs must be time delayed, i.e., no sooner than at least five (5) minutes after the happening of the event depicted in the photograph. The photographs cannot be available for downloading or purchase.
2. Except for those originated by the rightsholders, live text, audio or video play-by-play accounts originating from the stadium are prohibited.
3. Score updates are permitted.
4. The use of textual statistical information must be time-delayed and limited in amount (e.g., the score, injuries, record-breaking performances, scoring summaries at the end of each half, a condensed halftime story) so that an organization's game coverage on the Internet does not conflict with the electronic media rightsholder's rights to play-by-play accounts of the game and/or exclusivity as to such rights.
