MACK RHOADES

VICE PRESIDENT / DIRECTOR OF ATHLETICS
ARIZONA, 1993

Mack B. Rhoades, IV, who has provided outstanding leadership and vision for three NCAA Football Bowl Subdivision athletic programs, was named Baylor University's Vice President and Director of Intercollegiate Athletics on July 13, 2016.

Rhoades has organized a team of dynamic administrators and restructured the athletics department to maximize efficiencies across teams. His concept of *Preparing Champions for Life* has provided the ongoing vision for Baylor Athletics, which aims to bolster the student-athlete experience by focusing on the areas of academic achievement, athletic success, character formation and spiritual growth.

Rhoades has assisted University leadership in a campus-wide effort to structurally complete 105 recommendations related to Title IX and student safety.

The 2019-20 academic year, while cut short due to the coronavirus pandemic, brought success on and off the field for Baylor Athletics. Baylor was the nation's only school to finish the 2019 calendar year with football (No. 7), men's basketball (No. 6), women's basketball (No. 6) and volleyball (No. 3) all nationally ranked. Football advanced to the program's first-ever Big 12 championship game en route to playing in its first Sugar Bowl since 1957. Men's basketball and women's basketball were each projected to be a No. 1 seed in the NCAA Tournament. The Lady Bears brought home their 10th-straight, and 11th overall, Big 12 regular season championship, while the Bears were the No. 1 team in the country for five straight weeks, which tied the nation's longest streak since 2015 (Kentucky) and set a Big 12 record with a 23-game winning streak. Volleyball won its first Big 12 championship in program history and advanced to the program's first NCAA National Semifinals.

Overall, Baylor's 11 head-to-head sports compiled a 164-43-3 record (.781 winning percentage) during the 2019-20 academic year as 10 Baylor teams finished the term ranked, including six in the top-10.

Academically, Baylor student-athletes finished the year with a 3.60 GPA for the spring term, the best on record for a semester. The Bears have had a 3.0 term GPA or better for 24-straight semesters. Baylor led the Big 12 in Graduation Success Rate (GSR) for the sixth straight year, while 96 student-athletes earned degrees in the academic year. Nine of 15 Baylor athletics programs tracked by the NCAA registered perfect one-year APR scores of 1,000 and six different teams led the Big 12 in multi-year APR for their respective sports (baseball, men's cross country, men's golf, men's track and field, softball and volleyball).

Rhoades also oversaw the Baylor Bear Foundation as it reported more than \$19 million in annual giving to Baylor Athletics in 2019, the second-highest giving total in the foundation's 70-plus year history.

The 2018-19 academic year brought several strategic initiatives to the forefront of athletics beginning with December's unveiling of the "Baylor Built" character formation program. Rhoades appointed Marcus Sedberry, Senior Associate AD for Student-Athlete Success to spearhead the platform, which is a four-year, classification specific program, which aims to ensure Baylor student-athletes participate in 48 hours of character formation programming during their respective tenures. The holistic program encompasses character and leadership development, personal skills, social responsibility, community engagement and spiritual growth.

Rhoades, in a collective effort with a team assembled by Jovan Overshown, Senior Associate Athletics Director for External Affairs, launched - in association with NIKE - the "Baylor United" brand and visual identity for the department in April of 2019. The process produced a unified color palette, updated primary and secondary marks, new wordmarks and custom brand font and numerical system.

In May of 2019, as part of the Baylor Athletics Master Plan portion of the university's \$1.1 billion "Give Light" campaign, Rhoades announced the department would build a new \$105 million basketball fieldhouse

UNIVERSITY ADMINISTRATION

following the largest current gift in the university's history. An anonymous lead gift will spearhead the Baylor Basketball Pavilion to provide an electric atmosphere for the department's highly-successful basketball programs.

Rhoades has led national searches for four head coaching positions during his time at Baylor, ultimately bringing to Waco, Matt Rhule (Football) in 2016, Casie Maxwell (Equestrian) in 2017, Brian Boland (Men's Tennis) in 2018 and Dave Aranda (Football) in 2020.

Baylor has had at least 17 of 19 teams reach postseason competition in his first three years, including 18 of 19 teams in each of his first two years and 17 of 19 teams in 2018-19.

Four teams earned postseason berths in 2019-20 as the winter and spring sports' postseason tournaments were canceled due to the pandemic.

During his tenure, Baylor teams have earned 15 Big 12 titles.

Additionally, acrobatics and tumbling secured NCATA national championships in 2017, 2018 and 2019, adding to their record five-consecutive titles, and the Baylor women's basketball team took home its third national championship in 2019. National titles for acrobatics and tumbling and women's basketball in 2019 marked the first time in school history two programs have taken home national championships in the same academic year.

The Bears remain committed to giving back with student-athletes volunteering more than 4,900 hours throughout the Waco community in the last two academic years. Baylor's Student-Athlete Advisory Committee (SAAC) collaborated with Waco Habitat for Humanity to serve the Waco community through hands-on labor and connected with families in the community.

For the 12th consecutive year, Baylor's Sports Ministry Team traveled to share the love of Christ. Baylor Athletics hosted one international mission trip in 2019-20 with 23 student-athletes participating in missions to Guatemala.

Rhoades joined the Baylor family from the University of Missouri, where he spent the previous year (2015-16) leading the 20-sport South-eastern Conference intercollegiate athletics department, and he previously served in similar capacities at the University of Houston (2009-15) and the University of Akron (2006-09).

His first year in Columbia saw Mizzou student-athletes register the highest one-semester grade-point in school history at 3.03 for the fall 2015 term; Barry Odom hired as the Tigers' head football coach; wrestler J'den Cox win an NCAA title and earn a berth on the 2016 U.S. Olympic Team; the Tigers' men's swimming and diving team place a program-best eighth at the NCAA Championship and its women's basketball program return to the NCAA Tournament for the first time since 2006. Bolstered by three top 11 NCAA finishes--wrestling (sixth), men's swimming and diving (eighth) and women's swimming and diving (11th), Missouri finished 43rd in the final 2015-16 Learfield Directors' Cup standings.

Rhoades and his staff developed a student-athlete enrichment program, Mizzou Made: Preparing Champions for Life. This innovative and comprehensive program is part of a campus community partnership focusing on life skills and career development among other core values.

Before moving to Missouri, Rhoades enjoyed five-and-a-half rewarding years guiding the athletic fortunes at the University of Houston as Vice President for Intercollegiate Athletics. He reignited the Cougars' entire program, hiring 14 new head coaches, including 2015 FWAAs First-Year Coach of the Year Tom Herman. Rhoades also oversaw a transformation of the student-athlete experience while also directing marked improvements in the areas of academics, facilities, fundraising and athletic success. In nearly every academic measurement, including grade-point average and the NCAA's Academic Progress Rate, Houston registered record achievements. He also unveiled the Cougar Pride Leadership Academy to equip student-athletes with life-long leadership and life skills.

Houston's football team appeared in four bowl games during Rhoades' six seasons, and enjoyed a historic 2011 campaign which saw it climb to No. 6 in the BCS standings en route to a 13-1 record and its first season-ending finish in The Associated Press Top 25 since 1990.

Known as an outstanding fundraiser, Houston raised nearly \$100M and constructed \$160M in new facilities during his tenure, including a new on-campus football stadium, a men's and women's basketball training center, a golf academy and a short game facility. Rhoades also negotiated one of the nation's top five facility naming rights agreements at the collegiate level and secured a new multi-media rights deal for Houston.

Cougar Pride, Houston Athletics' fundraising arm, set an annual donation record for the fifth-consecutive year in 2013-14 as more than 3,100 Cougar Pride members contributed \$4.5M to eclipse the previous mark of \$3.5M set the previous year.

Rhoades and University of Houston President Dr. Renu Khator successfully steered the institution into an exciting new era when it was invited in December 2011 to join The American Athletic Conference beginning with the 2013-14 academic year. Houston's first year in The American was arguably one of the finest in school history, as its 2013-14 teams combined for 157 victories, 17 American individual championships, 10 NCAA postseason berths and a pair of American team titles. That successful surge led to Houston's highest national finish in the Learfield Directors' Cup since 2000-01.

Rhoades served as chair of the American Athletic Conference Athletics Directors Committee, Athletics Directors Executive Committee and Athletics Directors Finance Committee after having served Conference USA as chairperson for its Championship and Site Selection Committees.

Prior to his arrival at Houston, Rhoades helped the University of Akron achieve unprecedented academic and athletic success. During his tenure, Zip student-athletes earned: 765 total Dean's List honors, 213 All-Conference honors, 83 Academic All-Conference awards, 20 team championships, 14 Conference Player of the Year awards and 12 All-America honors.

Rhoades' Akron tenure was also marked by the construction of a \$61.6M on-campus football stadium, the creation of a women's golf program, three-time recognition for the department's diversity strategy and the hiring of 11 head coaches. UA student-athletes also generously gave back the community during Rhoades' tenure providing more than 5,000 service hours to the greater Akron area during each of the 2006-07 and 2007-08 academic years.

He served as a member of the NCAA Division I Championships/Sports Management Cabinet--as well as its Administrative Committee, and led the Mid-American Conference External Affairs Committee. Rhoades also helped then-MAC Commissioner Rick Chryst negotiate an unprecedented TV contract for the league with ESPN.

Rhoades went to Akron after seven years at UTEP, where he worked his way up the department ranks to become the Miners Executive Senior Associate Athletics Director after starting as Assistant Athletics Director for Development. In his final position at UTEP, Rhoades oversaw all fundraising, the marketing and media relations offices as well as football external operations, men's basketball, men's golf, licensing, Miner Athletic Club and the athletics ticket office.

Rhoades, who holds a bachelor's degree in health sciences from the University of Arizona (1993) and a master's of science degree in athletics administration/sports management from Indiana University (2002), began his intercollegiate athletics career as a marketing assistant in the Yale athletic department (1996) and worked in development at Marquette (1997-98) before joining the UTEP staff in 1998.

Mack and his wife, Amy, have three daughters - Nicolette, Natalie (husband, Andrew Charbine) and Noelle (husband, Mason Schlotzhauer).

COACHING STAFF

CASIE MAXWELL
HEAD COACH • 4TH SEASON AT BAYLOR
TEXAS A&M, 2006

Casie Maxwell is in her fourth season as head coach at Baylor and her 11th season as a collegiate equestrian head coach.

Maxwell, who was selected to lead the program in July 2017, finished the 2019-20 season with a career record of 70-82, going 51-60 at Kansas State and posting a 19-22 mark in three seasons at Baylor.

Before the season was cut short, Maxwell and the Bears went 5-8 in the 2019-20 season. Trekking through a difficult schedule that featured 10 ranked opponents in 13 meets, the Bears knocked off two top-five opponents and recorded a 4-1 record at home. The Bears earned three NCEA All-America selections while Rachael Davis repeated as Big 12 Flat Rider of the Year.

The 2018-19 season was the most successful year under Maxwell's watch where the team compiled a 9-5 overall record and clinched the program's fourth Big 12 title. The team also recorded a 6-1 record at home, earned three Big 12 Rider of the Year honors and five NCEA All-America accolades. During the postseason, the horsemanship team advanced to the NCEA event semifinals for the second consecutive year.

In year one at Baylor, the Bears rallied for ranked wins over No. 5 Auburn and No. 7 TCU. The win over the Tigers was the first win over a ranked opponent for the Bears under Maxwell and the victory over the Horned Frogs extended BU's regular season win streak over TCU to nine.

Maxwell's expertise with the Western side paid off at the NCEA National Championships. While the team suffered a quarterfinals loss to No. 2 Auburn, both the reining and horsemanship advanced out of the opening rounds, with the horsemanship squad falling to Auburn by just 1.5 points on a 2-2 (581.5-580) raw scores tiebreaker.

Maxwell joined the Bears after spending the previous decade at K-State, serving as the head coach from July 2009 until June 2016, when the program was discontinued by the athletic department. Temporarily transitioning from coaching, Maxwell stayed at K-State as a compliance specialist for the following year before joining the Baylor family.

"I am honored and so excited to continue my coaching career at Baylor University," Maxwell said. "Coaching has a special place in my heart and I am so grateful for the opportunity to contribute to a shared mission of turning these great student-athletes into strong, successful women, all within Baylor's faith-based caring community. I cannot wait to get back into the arena and get started coaching the talented student-athletes who have chosen Baylor for their collegiate careers."

Maxwell led the Wildcats as the head coach, taking over the reins in July 2009 after spending the previous two years as co-head coach. She saw great success at the helm of the program, coaching the western team to three reserve titles, posting 17 All-Americans, two national riders of the year, and twice was named the Big 12 Coach of the Year.

"I have greatly missed being a part of the lives of student-athletes over this past year, so I look forward to this opportunity to push Baylor Equestrian to its highest level," Maxwell said. "Coach White and her staff have worked extremely hard to establish a solid program since its start in 2004. I know I am stepping into a program with a great foundation and significant support both inside and outside of the arena."

Maxwell got her start in coaching as the western assistant at Kansas State in August 2006.

Prior to joining the Wildcats, Maxwell enjoyed a stellar career as a student-athlete and member of the four-time Western National Champions squad at Texas A&M, posting top four finishes in horsemanship and reining in 2005 in her senior campaign. She took a fifth season to stay with the Aggies as a student coach during the 2005-06 season before moving on to K-State the following year.

Maxwell and her husband, Bailey, have a son, Tatum, and three daughters, Brekyn, Rylan and Trystan.
