UNIVERSITY ADMINISTRATION

DR. LINDA LIVINGSTONE

UNIVERSITY PRESIDENT
OKLAHOMA STATE, 1982

Dr. Linda A. Livingstone is the 15th president of Baylor University. She previously served as dean and professor of management at The George Washington University School of Business, as dean and professor of management at Pepperdine University's Graziadio School of Business and Management, and as a tenured faculty member and associate dean of graduate programs at Baylor's Hankamer School of Business.

As Baylor's president, Dr. Livingstone has overseen the development of Baylor's academic strategic plan, *Illuminate*, which details Baylor's pursuit of becoming a preeminent Christian research university, and the \$1.1 billion comprehensive campaign that undergirds *Illuminate*, called *Give Light*. She has also overseen the University's response to COVID-19 and the robust study of Baylor's full history through the Commission on Historic Campus Representations.

In August of 2022, it was announced that Dr. Livingstone was elected as the board chair of the NCAA Board of Governors. As the rare Division 1 student-athlete-turned-university-president, President Livingstone was appointed in June to the NCAA Board of Governors as one of just nine voting members – and one of only two Power 5 university presidents – helping lead college athletics during a season of fast-moving changes. She is the current vice chair of the Big 12 Conference Board of Directors, while preparing to assume the role of chair next year. She also was appointed as a member of the NCAA's initial Constitution and Transformation committees. In addition, she is chair-elect for the American Council on Education (ACE) board, which represents more than 1,700 colleges and universities on effective public policy and innovative, high-quality practice. She will become chair of the ACE board in March 2023.

A strong voice for the role of faith-based institutions in American higher education, Dr. Livingstone has established herself as a scholar in organizational behavior, leadership, creativity, and university accreditation. She has been extensively published and cited in academic and professional outlets, including *American Business Review*, *Journal of Organizational Behavior*, *Journal of High Technology Management Research*, and the book *Business and Corporate Integrity: Sustaining Organizational Compliance, Ethics and Trust*. She serves on a number of boards, councils, and task forces, including the boards of Baylor College of Medicine, Capital Southwest Industrials, Waco Industrial Foundation, and the Independent Colleges and Universities of Texas, Inc., the Taskforce on Higher Education and Opportunity, and the AGB Council of Presidents.

Dr. Livingstone was inducted into Oklahoma State University's Hall of Fame in 2019. She also is a member of the Spears School of Business Hall of Fame, was the first recipient of the Outstanding Ph.D. Alumnus Award, and was recognized in 2015 with the OSU Distinguished Alumni Award.

A native of Perkins, Oklahoma, Dr. Livingstone played varsity basketball at Oklahoma State University, where she earned a Bachelor of Science in economics and management, a Master of Business Administration, and a Doctor of Philosophy in management and organizational behavior. Her husband, Brad, a high school history teacher, also played basketball at Oklahoma State. They have one daughter, Shelby, a graduate of Baylor's George W. Truett Theological Seminary, who is now an assistant volleyball coach at Liberty University.

MACK RHOADES

VICE PRESIDENT / DIRECTOR OF ATHLETICS
ARIZONA, 1993

Mack B. Rhoades, IV, who has provided outstanding leadership and vision for three NCAA Football Bowl Subdivision athletic programs, was named Baylor University's Vice President and Director of Intercollegiate Athletics on July 13, 2016.

Rhoades has organized a team of dynamic administrators and restructured the athletics department to maximize efficiencies across teams. His concept of *Preparing Champions for Life* has provided the ongoing vision for Baylor Athletics, which aims to bolster the student-athlete experience by focusing on the areas of academic achievement, athletic success, character formation and spiritual growth.

In June 2021, Rhoades was selected as *Sports Business Journal's* 2021 Athletics Director of the Year, marking the second Athletics Director of the Year honor earned by Rhoades in as many years. He was chosen as 2019-20 NACDA Under Armour Athletics Director of the Year in March 2020.

Over his six years in Waco, Baylor has won 25 Big 12 titles and seven national championships.

Baylor continues as one of the most successful athletics departments in the country. Baylor football won the 2021 Big 12 Championship, which marked the first since 2014 and the third in program history. The Bears also won the Sugar Bowl and set a school-record with 12 wins, including five victories over ranked opponents. Head coach Dave Aranda was named the George Munger National Coach of the Year.

Men's basketball won its second-straight Big 12 regular-season title and received a No. 1 seed in the NCAA Tournament under Scott Drew, who has been named Big 12 Coach of the Year for three-consecutive seasons. Women's basketball won its 12th-straight Big 12 regular-season championship and was a No. 2 seed in the NCAA Tournament under first-year head coach Nicki Collen. The Bears became the first team since 2000 to begin Big 12 play 0-2 and win the regular-season title.

Baylor became the first Big 12 school to win a football, men's and women's basketball regular-season championship in the same year and was the first Power Five school to sweep the basketball regular-season titles in back-to-back years.

Academically, Baylor tied a school record with an overall score of 94 in Graduation Success Rate (GSR) that led the Big 12 for an eighth-straight year and was second in the state of Texas in addition to ranking 14th nationally among Power Five schools. The Bears have had a 3.0 term GPA or better for 27-straight semesters.

The 2020-21 academic year, despite the ongoing COVID-19 pandemic, brought success for Baylor Athletics as the department combined to bring 20 trophies home to Waco. For the second-consecutive full term (not including the COVID-shortened 2019-20 campaign), the Bears brought home multiple national championships. After acrobatics & tumbling won its fifth-straight title and women's basketball clinched their third overall national championship in 2019, A&T went for six straight in 2020-21 and men's basketball claimed its first in program history.

Men's basketball won its first Big 12 regular-season title and clinched its first conference title since 1950 en route to winning every NCAA tournament game by an average of 15.3 points to claim its first-ever national championship.

Women's basketball brought home its 11th-straight, and 12th overall, Big 12 regular season championship in addition to their 11th Big 12 Championship title, marking the 10th time Baylor swept the regular-season and tournament titles. Women's basketball advanced to the program's 10th Elite Eight, marking the sixth time in seven seasons the Bears have been one of the final eight squads standing.

Baylor had 16 of 19 teams reach the postseason in 2020-21. Acrobatics & tumbling brought home its sixth-straight national championship, and men's tennis advanced to the program's third national championship match and first since 2005. Equestrian upset top-ranked Auburn in the NCEA National Championship and Track and Field had three individual national champions

updated primary and secondary marks, new wordmarks and custom brand font and numerical system.

In May of 2019, as part of the Baylor Athletics Master Plan portion of the university's \$1.1 billion "Give Light" campaign, Rhoades announced the department would build a new \$105 million basketball fieldhouse following the largest current gift in the university's history. An anonymous lead gift will spearhead the Baylor Basketball Pavilion to provide an electric atmosphere for the department's highly successful basketball programs.

Rhoades has led national searches for five head coaching positions during his time at Baylor, ultimately bringing to Waco, Matt Rhule (Football) in 2016, Casie Maxwell (Equestrian) in 2017, Brian Boland (Men's Tennis) in 2018, Dave Aranda (Football) in 2020, Nicki Collen (Women's Basketball) in 2021 and Michelle Lenard (Soccer) in 2021. He promoted long-time assistant Michael Ford to head coach of the Baylor Track and Field program in 2021. He also promoted Michael Woodson to head coach during the Men's Tennis team's postseason run to a national runner-up finish in 2021.

The Bears remain committed to giving back, with student-athletes volunteering more than 5,500 hours throughout the Waco community in the last three academic years. The football, men's and women's basketball teams each adopted local elementary schools during the school term where student-athletes would read to classes either virtually or in person.

While mission trips were put on hold for the 2020-21 term due to the pandemic, more than 100 student-athletes participated in spiritual growth opportunities on campus. Previously, Baylor's Sports Ministry Team traveled to share the love of Christ internationally for 12 consecutive years.

Rhoades joined the Baylor family from the University of Missouri, where he spent the previous year (2015-16) leading the 20-sport Southeastern Conference intercollegiate athletics department, and he previously served in similar capacities at the University of Houston (2009-15) and the University of Akron (2006-09).

His first year in Columbia saw Mizzou student-athletes register the highest one-semester grade-point in school history at 3.03 for the fall 2015 term; Barry Odom hired as the Tigers' head football coach; wrestler J'den Cox win an NCAA title and earn a berth on the 2016 U.S. Olympic Team; the Tigers' men's swimming and diving team place a program-best eighth at the NCAA Championship and its women's basketball program return to the NCAA Tournament for the first time since 2006. Bolstered by three top 11 NCAA finishes--wrestling (sixth), men's swimming and diving (eighth) and women's swimming and diving (11th), Missouri finished 43rd in the final 2015-16 Learfield Directors' Cup standings.

Rhoades and his staff developed a student-athlete enrichment program, Mizzou Made: Preparing Champions for Life. This innovative and comprehensive program is part of a campus community partnership focusing on life skills and career development among other core values.

Before moving to Missouri, Rhoades enjoyed five-and-a-half rewarding years guiding the athletic fortunes at the University of Houston as Vice President for Intercollegiate Athletics. He reignited the Cougars' entire program, hiring 14 new head coaches, including 2015 FWAAs First-Year Coach of the Year Tom Herman. Rhoades also oversaw a transformation of the student-athlete experience while also directing marked improvements in the areas of academics, facilities, fundraising and athletic success. In nearly every academic measurement, including grade-point average and the NCAA's Academic Progress Rate, Houston registered record achievements. He also unveiled the Cougar Pride Leadership Academy to equip student-athletes with life-long leadership and life skills.

Houston's football team appeared in four bowl games during Rhoades' six seasons, and enjoyed a historic 2011 campaign which saw it climb to No. 6 in the BCS standings en route to a 13-1 record and its first season-ending finish in The Associated Press Top 25 since 1990.

Known as an outstanding fundraiser, Houston raised nearly \$100M and constructed \$160M in new facilities during his tenure, including a new on-campus football stadium, a men's and women's basketball training center, a golf academy and a short game facility. Rhoades also negotiated one of the nation's top five facility naming rights agreements at the collegiate level and secured a new multi-media rights deal for Houston. Cougar Pride, Houston Athletics' fundraising arm, set an annual donation record for the fifth-consecutive year in 2013-14 as more than 3,100 Cougar Pride members contributed \$4.5M to eclipse the previous mark of \$3.5M set the previous year.

Rhoades and University of Houston President Dr. Renu Khator successfully steered the institution into an exciting new era when it was invited in December 2011 to join The American Athletic Conference beginning with the 2013-14 academic year. Houston's first year in The American was arguably one of the

finest in school history, as its 2013-14 teams combined for 157 victories, 17 American individual championships, 10 NCAA postseason berths and a pair of American team titles. That successful surge led to Houston's highest national finish in the Learfield Directors' Cup since 2000-01.

Rhoades served as chair of the American Athletic Conference Athletics Directors Committee, Athletics Directors Executive Committee and Athletics Directors Finance Committee after having served Conference USA as chairperson for its Championship and Site Selection Committees.

Prior to his arrival at Houston, Rhoades helped the University of Akron achieve unprecedented academic and athletic success. During his tenure, Zip student-athletes earned: 765 total Dean's List honors, 213 All-Conference honors, 83 Academic All-Conference awards, 20 team championships, 14 Conference Player of the Year awards and 12 All-America honors.

Rhoades' Akron tenure was also marked by the construction of a \$61.6M on-campus football stadium, the creation of a women's golf program, three-time recognition for the department's diversity strategy and the hiring of 11 head coaches. UA student-athletes also generously gave back the community during Rhoades' tenure providing more than 5,000 service hours to the greater Akron area during each of the 2006-07 and 2007-08 academic years.

He served as a member of the NCAA Division I Championships/Sports Management Cabinet--as well as its Administrative Committee, and led the Mid-American Conference External Affairs Committee. Rhoades also helped then-MAC Commissioner Rick Chryst negotiate an unprecedented TV contract for the league with ESPN.

Rhoades went to Akron after seven years at UTEP, where he worked his way up the department ranks to become the Miners Executive Senior Associate Athletics Director after starting as Assistant Athletics Director for Development. In his final position at UTEP, Rhoades oversaw all fundraising, the marketing and media relations offices as well as football external operations, men's basketball, men's golf, licensing, Miner Athletic Club and the athletics ticket office.

Rhoades, who holds a bachelor's degree in health sciences from the University of Arizona (1993) and a master's of science degree in athletics administration/sports management from Indiana University (2002), began his intercollegiate athletics career as a marketing assistant in the Yale athletic department (1996) and worked in development at Marquette (1997-98) before joining the UTEP staff in 1998.

Mack and his wife, Amy, have three daughters - Nicolette (husband, Christian Santillán), Natalie (husband, Andrew Charbine and son, Gerard) and Noelle (husband, Mason Schlotzhauer).

HEAD COACH MIKE MCGRAW

MIKE MCGRAW
HEAD COACH • NINTH SEASON
CENTRAL OKLAHOMA, 1982

Three-time national champion coach Mike McGraw became Baylor's head coach on June 16, 2014. McGraw joined the Bears following one season as assistant coach at Alabama, where he helped lead the Crimson Tide to the 2014 NCAA Championship title. With eight seasons at Baylor and nine seasons at Oklahoma State, McGraw totals 15 years as a Division I head coach.

McGraw has 25 years of experience coaching at the Division I level, including eight seasons as Oklahoma State men's golf head coach, and he's led teams to the NCAA Championship in 20 of 24 possible seasons (no championship in 2020 due to COVID-19). Nearly half of McGraw's 24 potential championship seasons have ended with top-five finishes at the NCAA Championship, including 11 times in the top five, three times as national runner-up and three national titles.

McGraw's teams have won 48 tournament titles and advanced to 11 of 16 possible NCAA Championships in his time as a Division I men's golf head coach. He's coached players to 42 individual medalist honors and produced 31 All-Americans.

McGRAW AT BAYLOR

In just eight seasons, McGraw has led the Baylor program to unprecedented heights, including 18 team titles, 12 individual titles and 10 All-America selections. Prior to his arrival, Baylor had advanced to the NCAA Championship five times in program history, but under McGraw's guidance BU has earned NCAA Championship berths in four of the last six potential championship seasons (no championship in 2020 due to COVID-19). The Bears achieved their first-ever No. 1 national ranking, won their first NCAA Regional title and advanced to NCAA Championship match play for the first time in program history, earning the best NCAA Championship finish in program history.

In 2021-22 McGraw helped Johnny Keefer to one of the best years by an individual in BU history. Keefer became the second player in program history to be named All-American (Golfweek and PING/GCAA), All-Big 12 and the Big 12 Men's Golf Scholar-Athlete of the Year. The Bears won a tournament for the second year in a row, outlasting ACU and UTSA in the inaugural Bear Brawl, a four-team match-play event held at Ridgewood Country Club. BU went 2-0 on the day, getting clutch 19th-hole victories from Mark Reppe in the morning session and Luke Dossey in the afternoon session to win the first event held in Waco since 2005.

The Bears made the postseason for a 23rd-straight year in 2020-21, garnering a No. 7 seed in the Stillwater Regional, where they missed a fifth-straight NCAA Championship appearance by just a single shot. BU finished sixth at the Big 12 Championship and had multiple players (Colin Kober and Mark Reppe) on the All-Tournament Team for the first time since 2001. Baylor started the spring semester strong with a six-shot win at the Rice Intercollegiate, over-taking Houston with a final-round 275. After winning the inaugural event in 2018, BU Captured the 2020 Big 12 Match Play Championship at the Golf Club at Houston Oaks, winning all five matches, including the Championship over Oklahoma State with a 9-4-hole differential.

In 2019-2020 McGraw and the Bears got off to a blistering start with wins in each of their first two starts at the Gopher Invitational and the Fighting Illini Invitational. As a freshman, Keefer burst onto the scene leading the Bears with a score of 3-under 210, which was good enough for a tie for 3rd at the Gopher. The following week the Bears tied for first at the Fighting Illini Invitational led by Cooper Dossey. He took home individual medalist honors while Colin Kober also finished in the top-10, in a tie for seventh. BU was ranked No. 9 nationally when the season was canceled in March because of the COVID-19 pandemic.

Dossey was named a First Team All-American By PING/GCAA and Golfweek, while Keefer was named to the third team by PING/GCAA and an honorable mention by Golfweek. It marked the third time in four seasons that McGraw and the Bears boasted multiple All-Americans.

After opening the 2018-19 season with a 13th-place finish at the Fighting Illini Invitational, the Bears won the second event at the Trinity Forrest Invitational thanks to a final-round 270. BU toppled host SMU by one stroke, thanks partly to four players finishing in the top 10 and all five in the lineup finishing in the top 18. The following event was the inaugural Big 12 Match Play Championship, in which the Bears won with a perfect 5-0 record, combining to go 20-5-5 in their individual matches. BU finished the regular season ranked at No. 25, earning a No. 5 seed at the Louisville regional. They punched a fourth-straight ticket to the NCAA Championship thanks to a third-place finish at Louisville Golf Club. Baylor ended the season tied for 27th in three rounds at the NCAA championship in Fayetteville, Ark.

The 2017-18 Bears finished the season ranked No. 16 nationally according to Golfstat. They started the season with six consecutive top-four finishes, including a second straight Royal Oaks Intercollegiate title and second-place finishes at the Gopher Invitational and the All-American Intercollegiate. BU also finished third at the Jerry Pate National Intercollegiate and the Arizona Intercollegiate. They advanced to the NCAA Championship for a school-record third consecutive season by finishing in third place at the NCAA Bryan Regional.

Three Baylor golfers picked up All-America recognition for their efforts during the 2017-18 season, with Braden Bailey, Garrett May and Matthew Perrine all honored. Additionally, Cooper Dossey joined that trio to give the Bears four PING All-Central Region selections. Perrine was named the 2018 Byron Nelson Award winner, and Colin Kober won the NCAA Elite 90 Award.

Baylor's success carried over to the classroom, as Bailey, May and Perrine combined to give the Bears a school-record three GCAA All-America Scholars and extended a school record to four straight seasons with multiple All-American Scholars. Their recognition brought the program's total to nine All-America Scholar honorees in McGraw's four seasons. BU had 13 selections in the 21 seasons prior to McGraw's arrival. BU also had every member of the roster earn Big 12 Commissioner's Honor Roll recognition for a third consecutive season.

The 2016-17 BU squad won four tournaments and had a streak of seven consecutive top-three finishes. The Bears won the Royal Oaks Intercollegiate, the All-American, the Linger Longer Invitational and shared the title with the tournament host at the NCAA Stanford Regional. BU also took second place at the Maui Jim Intercollegiate, the Querencia Cabo Collegiate and the Aggie Invitational. BU earned its first-ever No. 1 national ranking in Golfweek's April 3, 2017, poll.

Baylor advanced to match play at the 2017 NCAA Championship, earning the program's best finish with a tie for fifth place after falling 3-2 in a 19th hole playoff against eventual national champion Oklahoma.

A trio of players on the 2016-17 squad earned All-America honors, with Bailey, Dossey and Perrine all recognized. Dossey was named 2017 Big 12 Newcomer of the Year and was selected to the five-member GCAA All-Freshmen Team. Hunter Shattuck and May joined that trio to give the Bears a school-record five All-Region honorees. Additionally, McGraw was one of five finalists for the Dave Williams Award, and assistant coach Ryan Blagg won the 2017 Jan Strickland Award.

The 2016-17 Bears had a school-record nine Academic All-Big 12 honorees, including six first-team selections. Shattuck and Perrine were named All-American Scholars and all 11 members of the roster earned Big 12 Commissioner's Honor Roll recognition.

In just his second season in Waco, McGraw led the Bears to their first NCAA Championship berth since 2010. Baylor advanced to the NCAA Kohler (Wis.) Regional, extending one of the nation's longest active streaks with a 19th consecutive NCAA Tournament appearance. The Bears mounted a back-nine comeback in the final round of the regional, combining for 17 birdies to finish tied for fourth and earn one of five NCAA Championship spots awarded at the regional.

BU placed 27th at the NCAA Championship, marking the fifth-best end-of-season finish in program history. The 2015-16 Baylor squad claimed tournament titles at the Oak Hills Invitational and the Border Olympics, finished second in The Maxwell Intercollegiate and went on to

record nine top-five finishes in 13 tournaments.

In his first season at Baylor, McGraw led the Bears to three tournament titles and seven top-three finishes. Baylor finished in seventh place or better in every tournament, placing in the top half of the field in 11 of 12 events. BU finished in sixth place at the NCAA Bremerton (Wash.) Regional, one spot back of an NCAA Championship berth.

The Bears claimed tournament titles at the Gopher Invitational, Oak Hills Invitational and Border Olympics. BU also placed second at the Royal Oaks Intercollegiate and finished in third place at the Fighting Illini Invitational, Rod Myers Invitational and Bayou City Collegiate Championship.

Kyle Jones set the school record with a 70.47 stroke average in 2014-15 on his way to becoming McGraw's first All-American at Baylor and the third player in program history to earn back-to-back All-Big 12 honors.

PRIOR TO BAYLOR

McGraw spent the 2013-14 season as an assistant coach at Alabama, where he assisted head coach Jay Seawell in leading the Crimson Tide to the 2014 NCAA Championship title. Alabama won the championship match 4-1 over an Oklahoma State team comprised entirely of players McGraw recruited to OSU.

Prior to joining the Alabama staff, McGraw was head coach at Oklahoma State for eight seasons, where he led the Cowboys to a national title in 2006 and a national runner-up finish in 2010. He was an assistant coach at OSU when the Cowboys won the 2000 national title.

McGraw led Oklahoma State to five Big 12 titles and was named Big 12 Coach of the Year five times in his eight seasons as men's golf head coach. The Cowboys won 30 total tournaments and advanced to the NCAA Championships seven times, recording five top-five national finishes during his tenure. His players earned 30 individual medalist honors and he produced 21 All-Americans while he was men's team head coach at OSU.

McGraw joined Oklahoma State in 1997 as an assistant coach after leading the golf program at Edmond (Okla.) High School for four seasons. He spent seven years as men's team assistant coach, guiding the Cowboys to 16 tournament titles, including the 2000 national championship, and producing 19 All-Americans.

OSU named McGraw women's team head coach prior to the 2004-05 season, and he guided that team to a Big 12 championship. He became men's team head coach in 2006, and held that position through the 2012-13 season.

Regarded as one of the nation's top recruiters, McGraw has produced numerous PGA Tour players, including Rickie Fowler, Hunter Mahan, Charles Howell III, Morgan Hoffman and Casey Wittenberg.

In his four years leading the program at Edmond North High School, McGraw led the team to three state titles. The team claimed titles in 36 of its 46 events played and finished as runners-up seven times. He served as assistant coach at Edmond Memorial High School from 1987 through 1993, helping the Bulldogs reach six state championships in seven seasons.

As a player, McGraw was a three-year letterwinner at Central Oklahoma. He earned honorable mention All-America recognition after finishing 16th at the 1981 NAIA Championship. A 1982 graduate of Central Oklahoma with a degree in broadcast communications, McGraw married his wife, Pam, in 1996.

McGraw authored a book titled *Better Than I Found It*, which was published in February 2017. He also spearheaded the effort to build the state-of-the-art on-campus Billy W. Williams Golf Practice Facility, which opened to Baylor student-athletes in January 2017.

ASSOCIATE HEAD COACH MIKKEL BJERCH-ANDRESEN

MIKKEL BJERCH-ANDRESEN
ASSOCIATE HEAD COACH • THIRD SEASON
BAYLOR, 2015

Mikkel Bjerch-Andresen is entering his third season with the Bears. After being hired as an assistant coach on May 14, 2020, he was promoted to associate head coach August 1, 2022. Bjerch-Andresen replaced Ryan Blagg, who took over as the head coach at Louisville after eight years as Baylor's assistant, following the 2019-2020 season.

Bjerch-Andresen joined the Bears after spending three seasons as an assistant coach for Texas Tech men's golf, including his last two years as associate head coach. In total, he has helped coach six All-Americans.

In 2021-22, his second season with the Bears, the four-time BU letterwinner (2012-15) helped guide Baylor to a win in the Bear Brawl, the program's first event held in Waco since 2005. Under his direction, junior Johnny Keefer earned All-American honors from Golfweek and the Golf Coaches Association in addition to All-Big 12 and Big 12 Men's Golf Scholar-Athlete of the Year accolades. Keefer also qualified as an individual for the NCAA Norman Regional, becoming just the second Bear to compete as an individual in the NCAA postseason.

In Mikkel's first season as an assistant with the Bears, he helped the team to a second Big 12 Match play title in the second event of the 2020-21 season. The Bears followed that performance with a win at the Rice Invitational to open the spring semester. The win was highlighted by a final-round 275 to seal a six-shot victory over the University of Houston. Baylor's Colin Kober and Johnny Keefer each shot under-par in the final round to share the individual title with a pair of 139's. The Bears earned a 23rd-straight NCAA Tournament bid as a No. 7 seed in the Stillwater Regional.

A native of Baerum, Norway, Bjerch-Andresen has spent the last five years as a Division I assistant coach. Before joining the staff at Texas Tech, he broke into the coaching ranks by spending the 2016-17 season as assistant men's and women's golf coach at Stephen F. Austin.

In his three years at Texas Tech, Bjerch-Andresen coached five All-Americans. He helped lead the Red Raiders to a win at the 2019 Big 12 Match Play Championship. Texas Tech achieved the first No. 1 national ranking in program history during the COVID-19-shortened 2019-20 season, which included tournament titles at The Carmel Cup and Inverness Intercollegiate, in addition to the Big 12 title. Three different Tech players won individual titles during the season, and the Red Raiders finished the year ranked No. 3 nationally.

Bjerch-Andresen helped the Red Raiders to a third-place finish in the stroke-play portion of the 2018 NCAA Championship, advancing to eight-team match play for the second time in program history. In the quarterfinal match, Bjerch-Andresen walked with Adam Blomme, helping him erase a two-hole deficit to win 1-up and claim one point for Texas Tech in an eventual 3-2 loss to Alabama.

Bjerch-Andresen was a four-year letterwinner for the Bears from 2012 through 2015, playing his first three seasons under Greg Priest and his senior year under McGraw. He finished his career with a 73.79 scoring average, which ranked as the 10th-best mark in program history at the time. His 124 career rounds played were 11th-most in school history at the time of his graduation and currently ranks 13th on the all-time list.

As a senior in 2014-15, Bjerch-Andresen played as part of the Baylor lineup in all 12 tournaments and tied for third on the squad with a 73.19 scoring average across 36 rounds. He posted 15 rounds at par or better and had a pair of top-10 finishes, including winning medalist honors at the 2014 Royal Oaks Intercollegiate and a tie for fifth place to help the

Bears win the team title at the Gopher Invitational.

Bjerch-Andresen graduated from Baylor in 2015 with a Bachelor of Business Administration in economics. He is married to the former Hannah Perry, who is also a Baylor graduate, and the couple has two sons Axel and Anders.
